

Wars and Shadows: Memoirs of General Sir David Fraser

This exceptional memoir by one of Britain's most distinguished living soldiers describes a life lived against the backdrop of the most significant military events of the 20th century. General Sir David Fraser has had two careers: as a distinguished British soldier and as a leading military biographer. His childhood passed in grand houses in Scotland. Wars and Shadows, were published in 1991, describing a life lived against the backdrop of the most significant military events of the 20th century. The memoirs provide an insight into the life of a soldier, novelist and historian. General Sir David Fraser, who has died aged 91, was Vice-Chief of the General Staff. Wars and Shadows, were published in 1991, describing a life lived against the backdrop of the most significant military events of the 20th century. The memoirs provide an insight into the life of a soldier, novelist and historian. General Sir David Fraser, who has died aged 91, was Vice-Chief of the General Staff.
